

## Instructions to upload your Video:

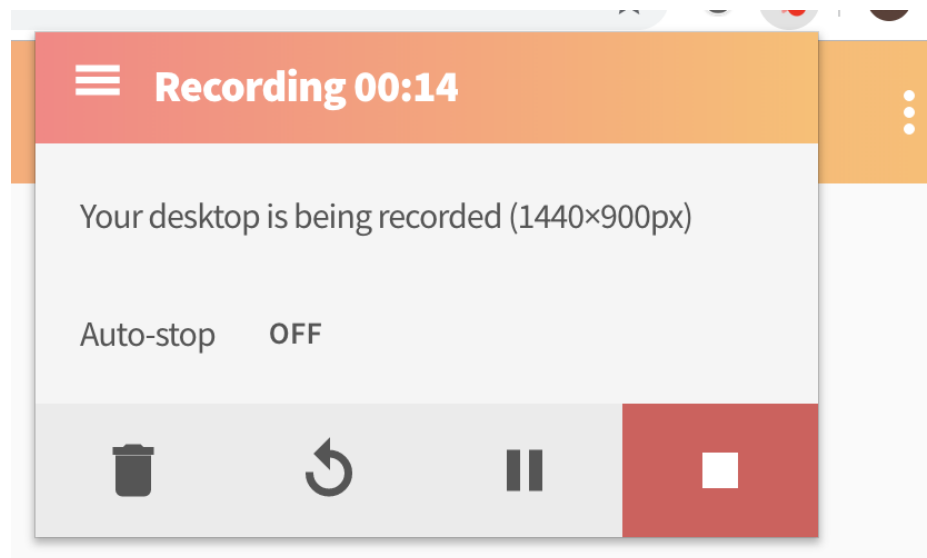

1. Go to <https://www.screencastify.com/> in your chrome browser.
2. Sign in with your UNCC account and add the 'ScreenCastify' extension to you browser.
3. Click on the icon in your browser. Select Desktop and click record.

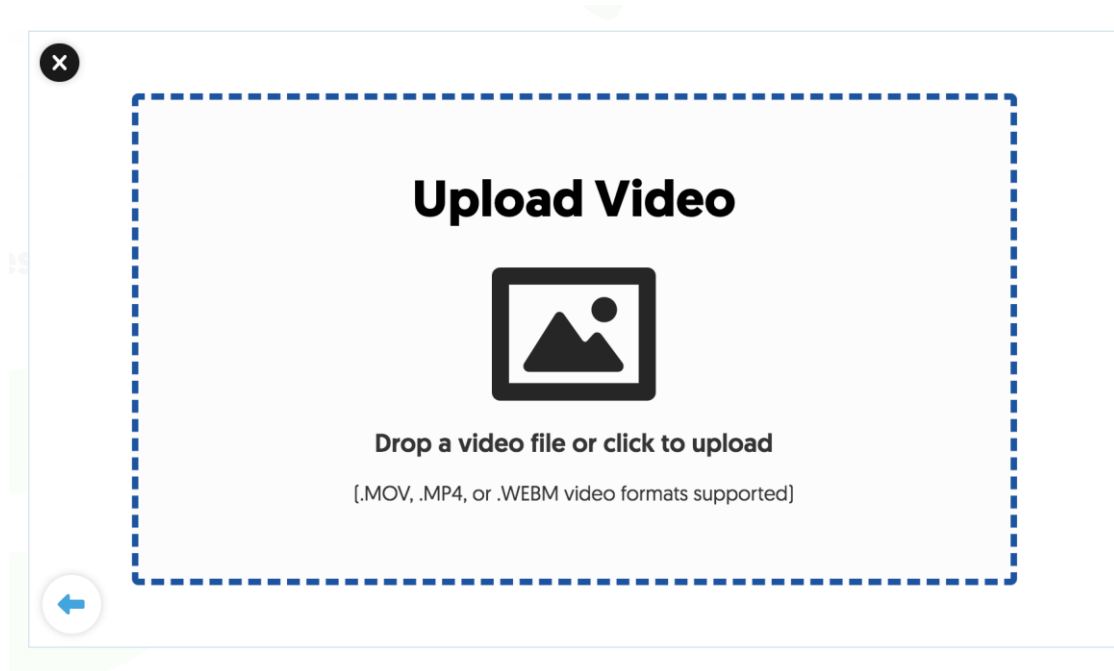

4. Click on the 'Your Entire Screen' and select 'Share' to start the screen recording.

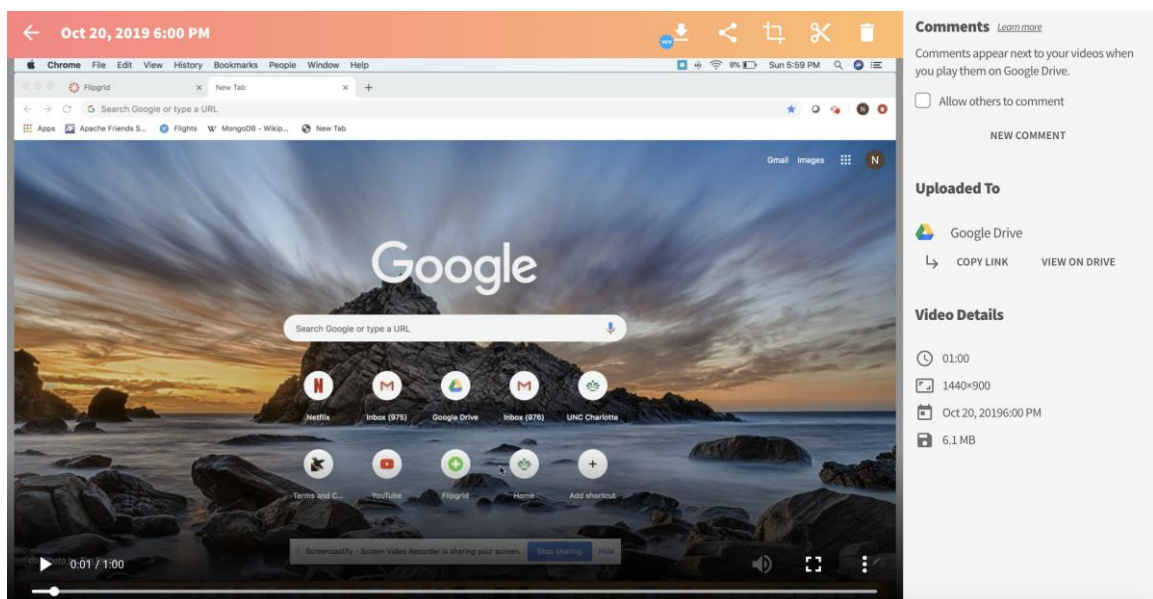

5. Once you are done recording, click on the icon in your browser and stop the recording.

6. You will then see a screen as shown below. Select 'View on Drive' and download the

recorded video. It will be saved in .webm format.
